Dear Friend,

For over 40 years, Idaho Inferno Soccer Club (IISC) has provided an affordable soccer program for Caldwell, Vallivue, Nampa, Fruitland and the surrounding Treasure Valley. We are reaching out to you because our community's non-profit soccer program is growing, and we need your help.

In the last two years Idaho Inferno Soccer Club has become the fastest growing club in the state of Idaho. Currently, over 1,600 children play soccer through Inferno's recreational and competitive programs! We continue to receive strong community support with over 250 volunteers serving as coaches, referees, board members and more.

Inferno holds an important place in our community-- promoting teamwork, the development of soccer skills, and an opportunity for children to build positive relationships with each other and their coaches. We would like to partner with you in 2024-2025. Your sponsorship will allow us to keep soccer affordable for families in financial need, offer training for coaches and referees, and provide quality equipment for our young players.

Thank you in advance for your support. Together we'll continue to build a successful youth soccer program for the western Treasure Valley. Please contact us at the email above with any questions.

Sincerely,
Idaho Inferno Soccer Club
